**PERMIT APPLICATION PUBLIC NOTICE**

**October 26, 2007**

**Permit Number:** OCRM-07-186-R  
**Permit ID:** 59404

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

**APPLICANT:** Alex Hooper  
C/O Watersdeep Inc  
PO Box 12880  
Charleston, SC 29412

**LOCATION:** On and adjacent to Darrell Creek at 2184 Beckenham Dr, Masonborough at Parkwest, Mount Pleasant, Charleston County, South Carolina. TMS#: 594-12-00-368.

**WORK:** The work as proposed and shown on the attached plans consists of constructing a dock. Specifically, the applicant seeks to construct a 4' x 265' walkway, with handrails, leading to an 8' x 8' covered pierhead. Ebbside of the pierhead, a 3' x 20' gangway will access an 8' x 12' floating dock. Floodside of the pierhead, a 3' x 40', 'L' shaped catwalk will access a 12.5' x 12.5', four-pile boatlift. The work as described is for the applicant's private, recreational use. **Please note** that this project is being re-noticed due to an incorrect creek name on the previous notice. The old notice stated the activity was on Toomer Creek when it is actually on Darrell Creek. Also, the pierhead has been reduced to 8' x 8' from 8' x 10'.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

*To assure review by OCRM, comments regarding this application must be received by OCRM on or before November 10, 2007. For further information please contact the project manager for this activity, Tess Rodgers at 843-953-0233.*
